

# TRULY TERRIFIC NEWS FROM HOME DIAGNOSTICS!

## *Introducing the* **NEW INVACARE® TRUEread™** **BLOOD GLUCOSE MONITORING SYSTEM.**

We are excited to announce the launch of the New Invacare® TRUEread™ Blood Glucose Monitoring System. The New Invacare® TRUEread™ System is covered by Medicare and Medicaid states with flat allowables and ideal for patients who value simplicity and ease of use. The New Invacare® TRUEread™ System is an addition to the TRUE portfolio of Home Diagnostics, Inc Blood Glucose Monitoring Systems.

**New Customers** – will be provided the New Invacare® TRUEread™ Blood Glucose Monitoring System and the New Invacare® TRUEread™ high performance test strips.

**Existing TrackEASE® Customers** – may continue to use their TrackEASE® meter with the new high performance Invacare® TRUEread™ test strips.

The high performance features of the New Invacare® TRUEread™ Blood Glucose Monitoring System rival the category's best meters.

### Features:

- Accurate results in 10 seconds
- Two simple steps
- Large, easy-to-read display
- Tiny, one microliter blood sample
- Fingertip or forearm testing
- Automatic on with strip insertion
- Audible test strip fill detection
- Capillary action test strips
- 200-test memory
- Results uploading capability
- Chip coding

There's no doubt you have customers who are satisfied with the features and benefits of the TrackEASE® Blood Glucose Monitoring System. To ensure their continued satisfaction, the new high performance Invacare® TRUEread™ test strips may be used with the TrackEASE® meter.

We believe your customers will truly appreciate the New Invacare® TRUEread™ Blood Glucose Monitoring System and all that it offers to help make diabetes testing as easy as possible.

Should you have any questions, please feel free to contact your Home Diagnostics representative, or call our technical services department at **800-803-6025** or e-mail [techservices@homediagnostics.com](mailto:techservices@homediagnostics.com).

# INVACARE® TRUeread™ Q&As

**Q.** I just received my Invacare® TRUeread™ Test Strips. Will they work in my TrackEASE® Meter?

**A.** Yes, the new, high-performance Invacare® TRUeread™ Test Strips will work with your TrackEASE® Meter. You will notice that the box and the instructions for use (inside) clearly indicate that the New Invacare® TRUeread™ test strips can be used with both the New Invacare® TRUeread™ and TrackEASE® meters.

**Q.** Will I still be able to obtain TrackEASE® Test Strips?

**A.** No. TrackEASE® Test Strips are being phased out. However, the new, high-performance Invacare® TRUeread™ Test Strips are able to be used in your current TrackEASE® Meter, so you may continue to use the meter you're already confident and familiar with.

**Q.** Is the new Invacare® TRUeread™ System replacing the TrackEASE® System?

**A.** No, if you are an existing customer, you may continue to use your TrackEASE® Meter with the new high performance Invacare® TRUeread™ Test Strips.

**Q.** Should I upgrade to the new Invacare® TRUeread™ System?

**A.** No, from a feature standpoint, the new Invacare® TRUeread™ System offers the same basic features as your TrackEASE® System. However, if your customers require a results uploading capability, then the Invacare® TRUeread™ System offers this additional feature.
